

EUROPEAN STYLE PARTITIONS

DESCRIPTION

Options

- 71" door and panel height cannot be modified
- Use Children's or Oversize for other nonstandard dimensions

EUROPEAN STYLE

This style is headrail braced with supporting pedestals attached to the panels

EUROPEAN SIZE

Panels and doors are fixed at 71" in height.

PILASTERS

Adjustable support pedestals are affixed to the bottom of the pilasters. Headrail is attached to the pilaster tops and walls to provide partition stability. Shoes are 22 gauge ASTM A-167 stainless steel with satin finish, not less than 3" in height.

DOOR HARDWARE

Hinges are surface mount and strikes/keepers are wraparound style. Slide latches, coat hooks, and bumpers are surface mounted. Door pulls are through bolted. All fasteners are tamper proof.

BRACKETS

Stirrup-type one ear, two-ear, and u-brackets are provided with theft resistant fasteners.

HEADRAIL

Headrail is extruded, clear, anodized aluminum with an anti-grip profile.

CONSIDERATIONS

- Wider pilasters will require two pedestals.
- Local building and ADA code should be reviewed for compliance.
- Directional patterns may limit stall depth.

Ironwood Manufacturing reserves the right to make changes in design, material, and documentation without formal notice and without incurring obligation. Consult local and national codes: conformity and compliance to local and national codes is the responsibility of the installer. Verify all roughin dimensions prior to installation.
